- 32) In relation to a pupil who is himself or whose parents are in receipt of benefits mentioned in section 512ZB of the Education Act 1996 (or equivalent provision governing the entitlement to free school lunches of pupils at maintained schools), the Academy Trust shall ensure that a school lunch is provided for such a pupil free of charge to be funded out of the Academy Trust's GAG.

 - e) the Academy Trust may charge persons who are not registered pupils at the Academy for education provided or for facilities used by them at the Academy.

GRANTS TO BE PAID BY THE SECRETARY OF STATE

General

- 34) The Secretary of State shall pay grants towards capital and Recurrent Expenditure for the Academy. Except with the Secretary of State's prior agreement, the Academy Trust shall not budget for its expenditure in any Academy Financial Year in excess of expected

income. The Academy Trust shall not enter into commitments which are likely to have substantial implications for future levels of grant, or for the period for which grant may be required. No decision by the Academy Trust shall commit the Secretary of State to paying any particular amount of grant.

35) "Recurrent Expenditure" means any expenditure on the establishment, conduct, administration and maintenance of the Academy which does not fall within the categories of capital expenditure set out at clause 36. The Secretary of State shall pay two separate and distinct grants in respect of Recurrent Expenditure: General Annual Grant ("GAG") and Earmarked Annual Grant ("EAG").

Capital Grant

36) "Capital Expenditure" means expenditure on:

- a) the acquisition of land and buildings;
- b) the erection, enlargement, improvement or demolition of any building including fixed plant, installation, wall, fence or other structure, or any playground or hard standing;
- c) the installation of electrical, mechanical or other services;
- d) the purchase of vehicles and other self-propelled mechanical equipment;
- e) the installation and equipping of premises with furnishings and equipment, other than necessary replacements, repairs and maintenance due to normal wear and tear;
- f) the installation and equipping of premises with computers, networking for computers, operating software and information and communication technology equipment, other than necessary updates or necessary replacements, repairs and maintenance due to normal wear and tear;
- g) the provision and equipping of premises, including playing fields and other facilities for social activities and physical recreation;
- h) works of a permanent character other than the purchase or replacement of minor day-to day items;
- i) any major repairs or replacements which are specified as constituting capital expenditure in any grant letter relating to them;
- j) such other items (whether of a like or dissimilar nature to any of the foregoing) of a substantial or enduring nature as the Secretary of State may agree shall constitute capital expenditure for the purposes of this Agreement;
- k) all professional fees properly and reasonably incurred in connection with the provision of any of the above;
- l) VAT and other taxes payable on any of the above.

"Capital Grant" means grant paid to the Academy Trust in respect of Capital Expenditure.

- 37) Where the Academy is to open in new premises, or where existing premises are to be substantially refurbished or remodelled to enable the Academy to open in such premises, the Secretary of State, may, in his absolute discretion be responsible for meeting the incurred Capital Expenditure for that Academy. To that end, the Secretary of State will consider providing funding in accordance with any arrangements as he considers appropriate.
- 38) Any Capital Expenditure incurred in respect of the Academy on which Capital Grant payments are sought from the Secretary of State will require the specific prior written agreement of the Secretary of State, which agreement shall not be unreasonably withheld or delayed.
- 39) Any payment of Capital Grant to the Academy Trust under this Agreement is subject to the fulfilment of the following conditions:
- a) such grants are used solely to defray expenditure approved by the Secretary of State;
 - b) the Academy Trust certifying and providing evidence that all planning and other consents necessary for the development and all related infrastructure to be completed have been obtained or put in place.

Arrangements for Payment of Capital Grant

- 40) Capital Grant will be paid by the Secretary of State to the Academy Trust on the basis of claims for grant submitted to the Secretary of State in the notified format with supporting invoices and certificates as required by the Secretary of State. Capital Grant will be paid within 21 days from the day on which a claim for grant is received if the claim is in the proper format, supported by the appropriate documentation and the conditions on its payment set out at clause 39 are complied with. If a dispute arises as to whether a claim is or is not acceptable both parties undertake to attempt to resolve it in good faith. In the event of such a dispute, the Secretary of State shall pay to the Academy Trust so much of the claim as shall not be in dispute.

Implementation Grant¹

¹ Note that the Secretary of State will not pay Implementation Grant pursuant to these clauses in relation to schools applying to convert further to the Academies Act 2010.

- 41) "Implementation Grant" means payments towards Recurrent Expenditure incurred for the establishment of the Academy prior to its opening.
- 42) The Secretary of State may enter into an agreement with a third party ("Project Management Company") for the provision of project management services to assist in the establishment of the Academy. Where such an agreement has been entered into, the Secretary of State shall pay Implementation Grant to the Project Management Company in accordance with that agreement.
- 43) If the Secretary of State has indicated that Implementation Grant will be payable, the Academy Trust shall prepare and submit to the Secretary of State a budget showing expected Recurrent Expenditure to be incurred by the Academy Trust before the Academy opens and for which grant is sought. This budget must either be agreed to or modified by the Secretary of State as he considers appropriate ("Approved Implementation Budget").
- 44) Both parties recognise that as the project develops it may be necessary to revise individual costs in the Approved Implementation Budget and to move costs between budget headings in order to ensure that the project remains within its approved budget. Where the Academy Trust wishes to make such an adjustment of over £10,000, the reason for the change and a revised budget must be submitted to the Secretary of State for approval.
- 45) The Secretary of State will pay Implementation Grant to the Academy Trust on the basis of claims for grant submitted to the Secretary of State in accordance with the Approved Implementation Budget and in the notified format with supporting invoices, receipts and documents as required by the Secretary of State. If the grant claim is acceptable, the Secretary of State undertakes to pay the amount due within 21 days from the day on which it was received. If a dispute arises over whether a grant claim or part of it is acceptable, both parties undertake to attempt to resolve the dispute in good faith.
- 46) Any amount in the Approved Implementation Budget in respect of which the expenditure has not been incurred by the Academy Trust by the date on which the Academy opens will lapse and no Implementation Grant will be payable in respect of that part of the Approved Implementation Budget. Any amount of Implementation Grant which has been paid but remains unexpended on relevant expenditure by the date on which the Academy opens will, without prejudice to any other mode of recovery, be taken into account in determining the total amount of grant to be paid to the Academy Trust after

the Academy has opened. Any amount of Implementation Grant which is found to have been used on ineligible expenditure will, without prejudice to any other mode of recovery, be taken into account in determining the total amount of grant to be paid to the Academy Trust.

General Annual Grant

47) GAG will be paid by the Secretary of State to the Academy Trust in order to cover the normal running costs of the Academy. These will include, but are not limited to:

m) establishment expenses and other institutional costs.

48) Subject to clauses to 56-57, GAG for each Academy Financial Year for the Academy will be the total of the following areas of funding;

- a) Formula Funding: Funding equivalent to the level of funding which would be provided through the funding formula of the LA to a maintained school which had all of that Academy's relevant characteristics, including its number of pupils;
- b) Local Authority Central Spend Equivalent: Funding representing a proportion of the LA Education Budget money which the LA would be able to retain, from the non-delegated elements of the Schools Budget and the relevant items in the LA Budget, if the Academy were a maintained school. The proportion which this funding will represent will be based on the elements of the LA's Section 251 Budget Return which are relevant to that Academy.
- c) Specialist Schools Allowance: Funding equivalent to that which a maintained school with the Academy's characteristics would receive in respect of their participation in the specialist schools programme. In the year of conversion, this may continue to be paid by the Local Authority;

49) The GAG for each Academy Financial Year for the Academy will also include, payable on a basis equivalent to that applied to maintained schools:

- a) funding for matters for which it is necessary for the Academy to incur extra costs, for as long as those costs are deemed necessary by the Secretary of State; and
- b) payments in respect of further, specific grants made available to maintained schools, where the Academy meets the requisite conditions and criteria necessary for a maintained school to receive these grants.

50) Subject to clause 51, the basis of the pupil number count for the purposes of determining GAG for an Academy Financial Year for the Academy will be, in the first year of conversion, the same basis as that used by the Local Authority for determining the budget share of the predecessor maintained school as adjusted by numbers counted in any subsequent Schools Census, as determined by the Secretary of State. In subsequent years the basis of the pupil count will be as determined by the Secretary of State.

51) Once the conditions specified in clause 52 have been satisfied with respect to the Academy for the Academy Financial Year for which funding is being calculated, the basis of the pupil number count for the purpose of determining GAG for the Academy will be:
