

<b>Post title</b>	Head of Faculty - Maths
<b>Location</b>	Airedale Academy, Crewe Road, Airedale, Castleford WF10 3JU
<b>Grade</b>	MPS/UPS + TLR 1B
<b>Salary</b>	Up to £51,944
<b>Hours</b>	Full time, 195 days per year

**Are you passionate about Pythagoras? Can you demystify decimals? Are you a talented practitioner who can teach inspiring lessons to pupils of all abilities and develop their curiosity and fascination about all things numerical? Can you uphold and encourage our values of Respect, Ambition and Bravery?**

With growing numbers of pupils choosing our school, we are now looking to appoint a Head of Faculty (Maths) to work closely with our Director of MET, to join a Faculty that wants to encourage all our students to achieve success. You will be a strong leader, who is able to coach, develop and enhance the teaching practice of others. You must have an unwavering commitment to raising standards within the Faculty and be highly motivated, creative and above all resilient. You will be working in a supportive Faculty where the team are committed to sharing best practice and resources. You'll need to be a dedicated team player with a collaborative approach to working with others. In return, we offer an extensive programme of school and Trust CPD, to help you grow and develop as an excellent practitioner.

We're situated in the former industrial heartland of Yorkshire, close to the junction of the M62 and A1 and its transport links. The Trust currently comprises four schools across the primary and secondary phases, with plans for future growth and the opportunities that brings.

Our ethos is children first and we're here to transform the lives of children, many from hugely disadvantaged backgrounds. Working in our schools can be very challenging, but hugely rewarding in terms of the difference you can make to children's futures by helping them reach their full potential. One of the advantages of participating in the MAT is that we can also offer opportunities for cross-phase work with pupils in the Trust's primary schools and the chance to participate in strategic planning around numeracy and mathematics across the schools.

Airedale Academy itself is a good school, with solid finances and rising pupil numbers over the next few years. Talk to our staff or pupils and you'll find out how proud we are of our school, its supportive atmosphere and strong team ethos.

Our wellbeing programme includes a range of benefits including break-time refreshments, access to fitness facilities including a gym and weekly yoga, discounted Microsoft products, and visits by a car valet company.

If you have the vision and skills to deliver inspirational teaching whilst having the focus and drive to ensure successful outcomes are reached within the Faculty then we'd love to hear from you.
