---

Start date: ASAP

Contract Type: Full Time, Temporary

Salary: Up to £41,604

Suitable for NQTs: Yes

## Teacher of Science

MPR/UPR

Do you have the energy of an exothermic reaction? Will you make our hair stand on end? Are you a talented practitioner who can teach lessons that help pupils of all abilities understand why science is amazing?

If you are a great science teacher, passionate about inspiring children from all backgrounds to achieve their full potential, and can uphold and encourage our values of Ambition, Bravery and Respect - we want to hear from you. We are looking to recruit a Teacher of Science to further increase our capacity to deliver high quality, engaging lessons as part of our COVID recovery programme until July 2022, with the possibility of this being extended. Whether you are looking for the first step, or next step, in your career, find out why joining Northern Ambition could be a great move.

Our ethos is children first and we're here to transform the lives of children, many from hugely disadvantaged backgrounds. Working in our schools can be challenging, but hugely rewarding in terms of the difference you can make to children's futures.

We're situated in the former industrial heartland of Yorkshire, close to the junction of the M62 and A1 and its transport links. The Trust currently comprises four schools across the primary and secondary phases, with plans for future growth and the opportunities that brings.

Airedale Academy itself is a good school, with solid finances and rising pupil numbers over the next few years. Talk to our staff or pupils and you'll find out how proud we are of our school, its supportive atmosphere and strong team ethos.
