Could you be the next Primary Executive Headteacher at Airedale Infant & Airedale Junior Schools?

The core purpose of all senior leadership roles across our Trust is to ensure the very best achievement and attainment, in all aspects of school life, for all groups of pupils through a relentless focus on progress and top-quality learning and teaching.

We are hoping to appoint an able, highly motivated, enthusiastic and innovative Primary Executive Headteacher to join a passionate, committed, supportive and forward-thinking team. You must be committed to securing high standards and raising academic attainment for all pupils, with the ability to coach, mentor and inspire others. You must be a qualified teacher who will be a strong and confident advocate for the schools in order to maintain their excellent reputation. Previous experience in a Head Teacher role with a proven track record of successful whole school improvement is essential (with experience in a Head Teacher role within an Academy being desirable).

For our Primary Executive Headteacher, we are looking for a highly organised leader with a proven track record of success, who can provide strong, purposeful and strategic leadership to enable all pupils and staff to excel. We know that outstanding leaders have transferable skills and are confident and effective in all aspects of their leadership, but we also recognise that, as a new senior leader, you will need support and a challenge yourself in order to grow to be the best you can be – we will make this happen.

Airedale Infant & Airedale Junior Schools are located in the former industrial heartland of Yorkshire, at the junction of the M62 and A1. We are the founding member of a growing and successful cross-phase multi-academy trust, at the heart of a close-knit community and with a focus on supporting children in disadvantaged areas to achieve their potential.

In our most recent Ofsted inspections (December 2017 & November 2019), both schools were rated 'Good' in all areas, with the report noting that: "Pupils enjoy learning because teachers plan interesting lessons," and "teachers are held well to account for the progress of their pupils. Moreover, leaders are mindful to ensure that teachers' workloads are as manageable as possible [and] morale among staff is high." As a new member of our Trust Executive Team, this is a great time to join us, as we continue on our journey to becoming an outstanding provider. You could really put your stamp on the way the schools move into the future, while building on these firm foundations as we continue to strive to achieve the very best for the community of pupils we serve.

We offer excellent conditions of employment, significant investment in CPD and great benefits such as flu jabs, access to fitness facilities, exercise classes and discounted Microsoft products. We are also a very friendly team! You will also benefit from the strong team spirit among the staff which in turn creates a supportive ethos for the pupils. This is further enhanced by an active and well-informed Trust Board and Academy Council with a strong commitment to ensuring the best possible outcomes for children.

We would like to offer prospective candidates the opportunity to visit our schools and meet our current Primary Executive Headteacher and CEO. Visits will take place on:
