Ethical Leadership

NAAT is driven by a strong moral purpose. We are first and foremost an educational charity established to benefit children and local communities. We have therefore chosen to be part of the Ethical Leadership in Education Pathfinder Project.

As a Pathfinder, we join over 150 other schools and Trusts across the country who are testing the Framework for Ethical Leadership in Education. Through this, we hope to further improve our ethical foundation, provide appropriate training for our leaders, and lead the way as an exemplar of ethical leadership.

Framework for Ethical Leadership in Education

Selflessness

School and college leaders should act solely in the interest of children and young people.

Integrity

School and college leaders must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. Before acting and taking decisions, they must declare and resolve openly any perceived conflict of interest and relationships.

Objectivity

School and college leaders must act and take decisions impartially and fairly, using the best evidence and without discrimination or bias. Leaders should be dispassionate, exercising judgement and analysis for the good of children and young people.

Accountability

School and college leaders are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

School and college leaders should expect to act and take decisions in an open and transparent manner. Information should not be withheld from scrutiny unless there are clear and lawful reasons for so doing.

Honesty

School and college leaders should be truthful.

Leadership

School and college leaders should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles, and be willing to challenge poor behaviour wherever it occurs. Leaders include both those who are paid to lead schools and colleges and those who volunteer to govern them.

Schools and colleges serve children and young people and help them grow into fulfilled and valued citizens. As role models for the young, how we behave as leaders is as important as what we do.

Leaders should show leadership through the following personal characteristics or virtues:

Trust: Leaders are trustworthy and reliable. We hold trust on behalf of children and should be beyond reproach. We are honest about our motivations.

Wisdom: Leaders use experience, knowledge and insight. We demonstrate moderation and self-awareness. We act calmly and rationally. We serve our schools and colleges with propriety and good sense.

Kindness: Leaders demonstrate respect,

generosity of spirit, understanding and good temper.

We give difficult messages humanely where conflict is unavoidable.

Justice: Leaders are fair and work for the good of all children.

We seek to enable all young people to lead useful, happy and fulfilling lives.

Service: Leaders are conscientious and dutiful.

We demonstrate humility and self-control, supporting the structures, conventions and rules which safeguard quality. Our actions protect high-quality education.

Courage: Leaders work courageously in the best interests of children and young people.

We protect their safety and their right to a broad, effective and creative education. We hold one another to account courageously.

Optimism: Leaders are positive and encouraging.

Despite difficulties and pressures, we are developing excellent education to change the world for the better. be truthful.

Curriculum

Our central purpose is to ensure that all children and young people within the Northern Ambition Academies Trust achieve the highest standards. We aim to develop and deliver a coherent curriculum that is ambitious, enriched, broad and engaging.

As a Trust, we pride ourselves on our united approach to delivering a broad and effective curriculum, preparing our pupils for the next steps in their educational journey. As part of this mission, we have set up curriculum hubs for Science, English and the English Baccalaureate (EBacc).

Science Hub

The Science Hub is one of the more established hubs within the Trust. We have worked on a shared vision and approach with our schools and developed Trust-wide Science and Calculations Policies. Staff also use technical terminology consistently, exposing children to rich vocabulary on a daily basis. The impact is that all children use similar methods and strategies in their work and are increasingly confident when approaching reasoning questions.

English Hub

The aim of the English Hub is to facilitate the sharing of best practice in English teaching across the Trust. This approach has increased the consistency of English teaching and assessment across all of our schools, with a shared focus on reading, vocabulary and transitional phases between units. Staff are regularly given opportunities to visit other schools within the Trust, allowing everyone in our community to learn from each other and develop together.

EBacc Hub

The establishment of our EBacc Hub has allowed staff to bridge gaps between KS2 and KS3, giving pupils a chance to overcome barriers they may face in EBacc subjects. This collaborative work and feedback loop between our secondary and primary academies has allowed staff to ensure that children leave Year 6 equipped to perform well in the EBacc.

SEND Hub

The aim of the SEND hub is to enable staff from across all schools to discuss and reflect upon any issues regarding SEND, whether that be school-specific, locally, regionally or nationally. The hub enables our staff to share best practice, act as sounding boards and critical friends to ensure the most effective provision for pupils with SEND.

Attendance Hub

Through our Attendance Hub, we have introduced a Club 100 programme across all schools in the Trust, encouraging pupils to aim for 100% attendance rates. Across NAAT, pupils who achieve 100% attendance each half term are rewarded with a postcard, badge and reward experience. We also run competitions between classes to further motivate pupils. As with all Trust hubs, the Attendance Hubs facilitates sharing of best practice between schools with the aim of improving attendance throughout.
